How to get in (key, lockbox, code)

Alarm code

Wi-Fi network / password

Where supplies are kept (food, leash, litter, meds)

Parking

Rooms or areas that are off-limits

Extra requests (mail, plants, trash, lights)

Anything else I should know about the home

Emergency care authorization

If my pet needs urgent care and I can't be reached, I authorize my pet sitter to take my pet to my vet or the nearest emergency vet and approve treatment up to the amount below. I agree to pay for that care.

Approved amount ($)

Does your pet take medication? Try Pawfolio.

Pawfolio Free keeps your pet's profiles, medications and sitter info on your phone and reminds you when doses are due. With Pawfolio Complete, you can share doses with your sitter, so you both see each dose given.

Scan the code or visit cleartrackapps.com/pawfolio
